BIO/NOP ORGANIC EXTRACTS

The range:

- Basil
- Capsicum
- Green tea
- Lemon
- Orange
- Vanilla

Certified Organic products with **high aromatic power**, obtained by cold extraction (with ultrasound technology) in organic extra virgin olive oil or organic alcohol from organic **spices, herbs and longer used berries**. Extracts to be applied in Savoury, Bakery and Confectionary products.

Standardized under the flavour profile giving to the finished products aromatic freshness thereby ensuring long shelf-life.

A particular attention to the **selection** of herbs and botanicals that both comply with the Bio/Nop European regulation and USA.

**COMMISSION REGULATION
(UE) N. 271/2010 of 24th march 2010**

**NOP 7 CFR parte 205 (National Organic Program)
